

## IEEE Xplore-compatibility Check Guidelines

1. When you visit the IEEE PDF eXpress Plus website for the first time, click "New Users - Click here" to create your account. Then, Account Set Up page will appear. Enter "**44654XP**" for our Conference ID, your email address, and choose a new password. Continue to enter information, as prompted. Check that the contact information is valid, and click "Submit", and then your account will be created.
2. Login to your PDF eXpress Plus account and upload your PDF or Word source file to achieve IEEE Xplore compatible PDF file.
3. If you submitted a PDF: PDF eXpress Plus will compare your PDF to the latest IEEE Xplore requirements. You will receive another email when your PDF has been checked.
4. If you submitted source file(s): PDF eXpress Plus will convert your source file(s) to PDF in accordance with the latest IEEE Xplore requirements. Check your PDF eXpress Plus account and click "Refresh File Status" to see the result.
5. Your IEEE Xplore compatible PDF is in your PDF eXpress Plus account. The file is labeled within its document properties as being "Certified by IEEE PDF eXpress", with an exact date and time stamp.
6. Login to your PDF eXpress Plus account and check the PDF carefully. If you are satisfied with the file and want to submit it to our conference, **click on the "Approve for Collection"** link.
7. If you are not satisfied with your PDF, you may go back to your account and submit another source file for conversion, or submit a revised PDF that you produce for Checking. If there is any other issue with your PDF, you may go back to your account and Request a Manual Conversion: your submission will be sent to Technical Support for special handling.
8. When the status of the uploaded paper shows "**Approved for Collection**" in your IEEE PDF eXpress Plus account, you still need to submit this approved final manuscript in PDF file format to us at [publish@acp2018.net](mailto:publish@acp2018.net) by 06 Nov. 2018.
